Assignments

Hull Strategies, LLC helps your organization retain key talent by providing comprehensive career management services. We collaborate with your talent management experts to create a competency-based program that serves your organization's mission. Our clients include federal and local government agencies, Fortune 500 and non-profits.

Strategic Planning with all stakeholders ensures an integrated program that serves both employees and the organization. We work closely with you to understand your needs and develop the best solutions for your organization and people.

Speaker for staff development and planning retreats

Program Management providing leadership for implementing the program to meet the program's key performance indicators.
